

## LYRICS

**"Weigh Ho!" sing sailor,  
"Weigh Ho!" sing I,  
"Weigh Ho!" sing the sailors,  
And away homeward fly.**

**A year I've been on these waters,  
A year my home,  
A year my loved one  
Waits for me alone.**

**\*In spring we parted,  
In spring left I,  
In spring we parted  
And said our goodbyes.**

**The wind she's a dragon,  
The wind she's a song,  
The wind she's my mistress  
And God speeds us along.**

**The stars are my lanterns,  
The stars are my guide,  
The stars bring me safely  
To lie by your side.**

**\* This verse does not appear on the recorded version.**
