Robert Force & Albert d'Ossché

Here is the American Dulcimer taken out of the Appalachians and presented in ensemble with music and musicians from Africa, Brazil, the Caribbean, Iceland, India and mainstream folk, soft rock, and jazz.

This is contemporary dulcimer at its finest by two of America's premier players—Robert Force and Albert d'Ossché—authors of the best-selling In Search of the Wild Dulcimer (Random House/Vintage, Aamsco/Oak). More of their work appears in the Pacific Rim Dulcimer Project (Biscuit City Records); the Pacific Rim Songbook (Capritaurus); and the Dulcimer Songbook by N. Hellman (Oak Pub.) They are the co-founders of the traveling music festival Kindred Gathering.
