Starts off “a cappella” just voices. First chord played is the D on “heart”.  
Hold those chords a LONG time and kind of *vamp* the tune!

                  D                  A  
Deep down in my heart I want to be a star  
                                  A  
Deep down in my heart I want to go far  
                                          G  
I want to be the greatest hit the world has ever known  
                  D                  A                  D  
But darling most of all I want you for my own

I want to be the king of country radio  
I want to sing a song wherever I go  
I want to tell the world of all the heartaches that I've seen  
But darling most of all I want you for my queen

Deep down in my heart I want to be a star  
I want to be Tom T and Willie with my golden guitar  
I want to be Johnny, Roy, Merle and Buck you bet  
But most of all I want you for my Tammy Wynette

Deep down in my heart I want to be a star  
Deep down in my heart I want to go far  
I want to be the greatest hit the world has ever known  
But darling most of all I want you for my own
